MeerKats Group

Give us a try and UNLOCK our Products and Services!!

We may be a new surplus lines market but we have years of expertise. Our goal is to provide the best service and product knowledge available. We want to become your one source to the surplus lines markets.

About Us—Tom Barber started with Chubb group of insurance in loss control for 6 years and managed the Executive Protection (D&O/EPLI/Crime/Fiduciary) department for Chubb for 6 years. After that he worked on large Risk Management accounts at Marsh & McLennan for 9 years. Tom then moved to the surplus lines brokerage side managing the Alexander Morford & Woo office in Portland for 12 years. This gives us a unique knowledge of the carrier, retail and wholesale side of the business. We understand the needs of our retail agents and the problems you face.

Directors & Officers Liability

We specialize in the placement of all types of Directors & Officers Liability policies with and without the Employment Practices liability, Fiduciary Liability, Crime and Errors & Omissions coverage.

- > Companies with Publicly traded stock
- > Privately owned companies
- > Not for profit companies
- > Financial Institutions and Trusts

Professional Liability

We place all types of Professional liability and Errors & Omissions coverage.

- > Architects & Engineers and Contractors Professional —This is one of our main focus areas. We know the markets and the products. Do not settle for 2nd best
- > Medial Malpractice
- > Real Estate, Mortgage Brokers and Property Managers.
- > Any type of Professional liability or Misc. E&O needed, we have the markets.

Employment Practices Liability

This coverage is often ignored by your clients. We have a quote turnaround time of 24 hours or less in most cases. We have the markets and exper-

tise to help you sell this product.

Property\Inland Marine coverage

All Risk Property, Earthquake, Flood, Builders Risk, Inland Marine we have the markets to get it done.

General Liability, Umbrella's, Excess Liability and Wraps.

We are looking at forming new relationships and appointing markets. If we don't have the market, we will work to get it.

Special Programs

We are always looking to put together a special group insurance program or creative insurance placement.
